

WRECKED

WEEK 3 - SIMON PETER

CONVERSATION STARTER

Tell about a time when you were uncertain about what to do because you were engaging people in a culture you were not familiar with.

DISCUSSION QUESTIONS

- Read Acts 10:1-23. This is the story of Peter having a deep seated, wrongly held belief, being wrecked. What is a strongly held belief that you have held in the past that you no longer hold? Why did that belief change? What was the result of you changing your belief?
- When Peter allowed God to wreck his belief about the Gentiles, he experienced God in a very profound way. Spend a few minutes and give examples of wrongly held beliefs in the following areas. Then discuss how these wrongly held beliefs can keep you from experiencing God in profound ways.
 - Marriage/family
 - Prayer
 - Generosity/finances
 - Regular attendance at church/Life Group
- Is there a barrier, a wrongly held belief, that is keeping you from experiencing God in profound ways in your generosity? Why do you hold on to it?

PRAY

Wrongly held beliefs can be wrecked when they are replaced with the truth. Pray that God will reveal truth in your life. Pray especially about any wrongly held beliefs. Cry out to God and let him know that you want to experience him in profound ways.
